

Sensitivity analysis run log:

1/28/18: N=500 and 1000, t=10,000; no convergence

1/30/18: N=5000 and 6000, t=10,000; no convergence

2/2/18: N=10,000 and 12,000, t=10,000; no convergence, N=12,000 had 95% CI of +/- 0.075 in zeta

2/6/18: N=20,000 and N=22,000, t=10,000; no convergence

2/28/18: N=150,000, t=10,000; convergence because same as N=140,000

3/6/18: N=140,000, t=10,000; convergence

4/1/18: N=140,000, t=10, updated initial conditions

4/16/18: N=150,000, t=10, updated initial conditions; no convergence to N=140,000
